

Train The Trainer Program

Course Overview

In Train the Trainer course you'll learn skills like how to create and teach from a session plan, how to create effective and engaging presentations, how to develop and administer assessment tools, understanding the various types of personality types and their learning styles and much more.

Participants also have the opportunity to deliver a "live" training session and receive feedback from the group.

This 3-Day, interactive training event is tailored to your specific requirements, which assures that the course can be directly applied to your workplace training requirements.

You will learn about your own personality type as well as other personality types and how to engage others in an entirely new way that provides a path to better communication and improved training skills.

TRAIN THE TRAINER TRAINING COURSE OUTLINE

This 3-day **Train the Trainer** Training Program is designed to benefit employees who are being asked to design and/or deliver training in the workplace. Participants learn about the learning needs and personality types of adults, planning and developing different types of training, delivering and assessing the success of the training events and much more.
