1 Enterprise Performance Management Cloud Service Overview

Learning Objectives	1-2
EPM Cloud Service Overview	1-3
EPM Cloud Service	1-4
EPM Standard and Enterprise Cloud Service Overview	1-5
Business Processes in EPM Cloud Service	1-9
Planning	1-10
Financial Consolidation and Close	1-12
Account Reconciliation	1-13
Narrative Reporting	1-14
Tax Reporting	1-16
Profitability and Cost Management	1-17
Enterprise Data Management	1-18
EPM Cloud Service Environments	1-19
EPM Help Center	1-20
EPM Client Tools	1-22
Oracle Smart View for Office	1-23
Switching to a Different Business Process	1-24
Summary	1-26
Practice 1: EPM Cloud Service Overview	1-27

2 Getting Started with Narrative Reporting

Learning Objectives	2-2
Feature of Narrative Reporting	2-3
Features of Narrative Reporting	2-4
Narrative Reporting: Home Page	2-8
Report Packages	2-9
Report Package: Home Page	2-10
Sample Report Package	2-11
Report Package Components	2-12
Management Reports	2-13
Sample Management Report	2-14
Library	2-15
Artifacts in the Library	2-16
Library: Home Page	2-17

- Library: Roles 2-18
- Artifacts 2-19
- Uploading Additional Fonts 2-20
- Smart View 2-21
- Smart View: Home Page 2-22
- Disclosure Management 2-23
- Disclosure Management Home Page 2-24
- Security Levels 2-25
- Predefined Roles 2-26
- Summary 2-27
- Practice 2: Getting Started with Narrative Reporting 2-28

3 Environment Setup

- Learning Objectives 3-2
- Install Tools and Sample Content 3-3
- Sample Content Overview 3-4
- Download Sample Content 3-5
- Sample Report/Report Packages: Access 3-6
- List of Sample Contents 3-7
- Data Source 3-8
- Dimensions in Sample Application 3-10
- Security Levels and Roles 3-15
- Manage Users 3-17
- Summary 3-19
- Practice 3: Environment Setup 3-20

4 Introduction to Report Package

- Learning Objectives 4-2
- Report Package Overview 4-3
- Report Package Components 4-6
- Sample Report Package 4-12
- Defining Style 4-14
- Create Report Package 4-16
- Summary 4-25
- Practice 4: Creating Report Package 4-26

5 Report Package Development Process

- Learning Objectives 5-2
- Report Package Content 5-3
- Report Package Development Process 5-12
- Report Package Variables 5-29

Summary 5-32

Practice 5: Report Package Development Process 5-33

6 Designing Management Reports

Learning Objectives 6-2

Management Reporting Components 6-3

Design Considerations 6-8

Data Source 6-9

Report Designer 6-10

Working with Grid 6-18

Summary 6-31

Practice 6: Designing Management Reports 6-32

7 Management Report Objects

Learning Objectives 7-2

Working with Text Boxes 7-3

Working with Images 7-5

Working with Notes 7-6

Working with Charts 7-11

Conditional Formatting and Suppressions in Grid 7-20

Zooming on Parent Members in Grid 7-26

Grouping Dimensions in Grids 7-33

Drill to Content in Grid 7-35

Mathematical Functions 7-36

Summary 7-41

Practice 7: Management Report Objects 7-42

8 Organizing and Distributing Books and Reports

Learning Objectives 8-2

Books Overview 8-3

Create Book 8-5

Book Designer 8-6

Bursting 8-26

Summary 8-31

Practice 8: Organizing and Distributing Books and Reports 8-32

9 Getting Started with Smart View

Learning Objectives 9-2

Introduction to Smart View 9-3

Install Smart View 9-4

Smart View Components 9-5

- Smart View Ribbon 9-7
- Data Source Connection 9-9
- Data and Data Cells 9-13
- Smart Forms 9-26
- Functions 9-29
- Summary 9-34
- Practice 9: Getting Started with Smart View 9-35

10 System Administration

- Learning Objectives 10-2
- Security 10-3
- Access Grants 10-7
- Audit 10-17
- Migrate Artifact and Folders 10-21
- File Transfer Utility 10-23
- Summary 10-24
- Practice 10: Understanding Security 10-25
