

## Contents

### **1 Introduction to Joint Venture Management**

- Course Objectives 1-2
- Course Schedule 1-4
- Lesson Objectives 1-6
- Oracle Joint Venture Management Overview 1-7
- Enterprise Structures Model Related to Joint Venture Management 1-8
- Oracle Joint Venture Business Process 1-10
- Joint Venture Distributions Example 1-12
- How Joint Venture Management Works 1-13
- Step 1: Create Joint Venture Definitions 1-14
- Step 2: Automatically Identify Joint Venture Transactions 1-15
- Step 3: Automatically Calculate Splits and Create Distributions 1-16
- Step 4: Review Distributions 1-17
- Step 5: Automatically Create Invoices of the Distributed Costs 1-18
- Joint Venture Overhead 1-19
- Auditing and Tracking in Joint Venture Management 1-20
- Summary 1-21

### **2 Common Configuration for Joint Venture Management**

- Objectives 2-2
- Joint Venture Prerequisites and Assumptions 2-3
- Audience and Scope 2-4
- Practice 2-1 Overview: Entering Cost Center Segment Values in Chart of Accounts 2-6
- Enabling Joint Venture Management 2-7
- Setting Up Joint Venture Management Users and Security 2-9
- Joint Venture Functional Security 2-11
- Practice 2-2 Overview: Adding the Joint Venture Management Roles to Your User 2-12
- Practice 2-3 Overview: Creating Joint Venture Data Security for Your User 2-13
- Summary 2-14

### **3 System Configuration for Joint Venture Management**

- Objectives 3-2
- Enabling Detailed Logging of Joint Venture Management Processes 3-3

Practice 3-1 Overview: Enabling Detailed Logging of Joint Venture Management Processes 3-4

Ingesting Joint Venture Invoice Data and Setting Up Search 3-5

Demonstration 3-2 Overview: Ingesting Joint Venture Invoices Data and Setting Up Search 3-6

Creating Receivables Invoices: Prerequisites 3-7

Demonstration 3-3 Overview: Reviewing Setups to Create Receivables Invoices for Joint Venture 3-8

Additional Information in Receivables Invoices 3-9

Demonstration 3-4 Overview: Setups for Printing Joint Venture Receivables Invoices 3-10

Creating Rules in Subledger Accounting 3-11

Subledger Accounting Setup to Derive the Offset to Receivables Account for Joint Venture Invoices 3-12

Setting Up Oracle Financials to Capture a Transaction Date in General Ledger Journals 3-13

Setting Up Oracle Financials to Capture a Transaction Date in Subledger Accounting Journals 3-14

Demonstration 3-5 Overview: Setting Up Offset to Receivable Accounts for Joint Venture Invoices 3-15

Managing Joint Venture Management Lookups 3-16

Creating and Editing Lookups 3-17

Specifying Transaction Date Sources in the Joint Venture System Options 3-18

Joint Venture System Options 3-19

Demonstration 3-6 Overview: Identifying a Transaction Date for Processing Joint Venture Transactions 3-21

Summary 3-22

#### **4 Set Up Invoicing Partners and Joint Venture Definitions**

Objectives 4-2

Setting Up Joint Venture Management 4-3

Invoicing Partners: Overview 4-4

Adding an Invoicing Partner 4-5

Adding and Activating an Invoicing Partner 4-6

Practice 4-1 Overview: Creating Invoicing Partners and Associating Them with Customers 4-8

Joint Venture Definitions: Overview 4-9

Entering Joint Venture Details 4-10

Identifying Distributable Accounts 4-12

Setting Up Stakeholders 4-14

Adding Different Types of Stakeholders 4-16

- Setting Up Ownership Definitions 4-17
- Rounding Partner 4-18
- Ownership Definition Status 4-19
- Activating an Ownership Definition 4-20
- Minimum Amount for Joint Venture Receivables Invoices 4-21
- Approving a Joint Venture 4-22
- Activating a Joint Venture 4-23
- Additional Joint Venture Activities 4-24
- Practice 4-2 Overview: Setting Up a Joint Venture Definition 4-26
- Using Alerts and Dashboards 4-27
- Summary 4-28

## **5 Joint Venture Management Rapid Implementation**

- Objectives 5-2
- Overview of Joint Venture Rapid Implementation 5-3
- Configuring Joint Venture Management Rapid Implementation 5-4
- Preparing Setup Data 5-5
- Setup Steps for Rapid Implementation 5-7
- Using Rapid Implementation Spreadsheet 5-9
- Practice 5-1 Overview: Creating a Joint Venture Definition Using a Rapid Implementation Spreadsheet 5-11
- Summary 5-12

## **6 Migrating Joint Venture Setup Data to Production**

- Objectives 6-2
- Migrating Joint Venture Setup Data to Production 6-3
- Creating an Implementation Project for Migrating Setup Data 6-4
- Exporting Joint Venture Setup Data 6-6
- Importing Joint Venture Setup Data 6-10
- Demonstration 6-1 Overview: Exporting Joint Venture Setup Data 6-12
- Summary 6-13

## **7 Manage Joint Venture Transactions and Distributions**

- Objectives 7-2
- Joint Venture Management Processes: Overview 7-3
- Joint Venture Business Process 7-4
- Processing Joint Venture Transactions 7-5
- How Joint Venture Management Works 7-6
- Step 1: Automatically Identify Joint Venture Transactions 7-7
- Step 2: Automatically Calculate Splits and Create Distributions 7-8
- Step 3: Review Distributions 7-9

Step 4: Automatically Create Invoices of the Distributed Costs	7-10
Searching for Joint Venture Invoices	7-11
Scheduling and Running Processes for Joint Venture Management	7-12
Practice 7-1 Overview: Creating Payable Invoices by Using a Spreadsheet	7-14
Practice 7-2 Overview: Running the Scheduled Process to Identify Joint Venture Transactions	7-15
Managing Joint Venture Transactions and Distributions	7-16
Accessing Joint Venture Transactions and Distributions Work Areas	7-17
Managing Joint Venture Transactions	7-18
Searching for Joint Venture Transactions	7-19
Transaction Details: Joint Venture Transactions Work Area	7-20
Overriding Joint Venture Transaction Processing	7-22
Overriding How Transactions Are Processed	7-24
Resolving Disputes Over Distributed Amounts	7-25
Practice 7-3 Overview: Editing Transactions in the Joint Venture Transactions Work Area	7-26
Practice 7-4 Overview: Deleting Transactions in the Joint Venture Transactions Work Area	7-27
Practice 7-5 Overview: Downloading the Joint Venture Transactions Template and Editing a Joint Venture Transaction's Status	7-28
Managing Joint Venture Distributions	7-29
Deleting Joint Venture Distributions	7-30
Distributions with Incorrect Amounts	7-31
Transaction Split When Entire Transaction Amount Should be Applied to Direct Billed Stakeholder	7-33
Incorrectly Identified Transactions	7-34
Practice 7-6 Overview: Running the Scheduled Process to Create Joint Venture Distributions	7-35
Practice 7-7 Overview: Editing Distributions in the Joint Venture Distributions Work Area	7-36
Practice 7-8 Overview: Deleting Distributions in the Joint Venture Distributions Work Area	7-37
Practice 7-9 Overview: Downloading the Joint Venture Distributions Spreadsheet Template and Editing a Distribution	7-38
Practice 7-10 Overview: Correcting Issues with Joint Venture Transactions and Distributions	7-39
Billing Retroactive Adjustments for Joint Ventures	7-40
Correcting Issues with Joint Venture Transactions and Distributions	7-42
Summary	7-43

## **8 Set Up and Draw from Partner Contributions**

Objectives 8-2

Partner Contributions 8-3

Setting Up Partner Contributions 8-4

Drawing from Partner Contributions 8-5

Managing Partner Contributions 8-6

Editing Partner Contributions 8-7

Practice 8-1 Overview: Creating a Payables Invoice and Running Joint Venture  
Scheduled Processes 8-8

Practice 8-2 Overview: Setting Up and Drawing from Partner Contributions 8-9

Closing a Partner Contribution 8-10

Summary 8-11

## **9 Create Invoices to Bill Partners for Joint Venture Costs**

Objectives 9-2

Managing Joint Venture Invoices 9-3

Correcting Issues with Creating Joint Venture Invoices 9-4

Practice 9-1 Overview: Running the Create Joint Venture Invoices Process and  
Searching for Invoices 9-6

Practice 9-2 Overview: Updating Accounting Information for Posted Receivables  
Invoices 9-7

Practice 9-3 Overview: Creating and Printing Joint Venture Invoices 9-8

Summary 9-9

## **10 Create Billing Adjustments and Redistribute Joint Venture Transactions to Rebill**

Objectives 10-2

Changes to an Active Date Effective Ownership Definition 10-3

Example: Reversing Joint Venture Invoices and Redistributing the  
Transactions 10-4

Joint Venture Invoicing Adjustments Process 10-8

Creating Reversed Distributions 10-9

Redistribution After the Reversal Process 10-10

Practice 10-1 Overview: Running the Scheduled Process to Create Reversed  
Distributions and Redistributions 10-11

Sending the Reversed Distributions to Create Credit Memos 10-12

Practice 10-2 Overview: Running the Scheduled Process to Send Reversed  
Distributions to Create Credit Memos 10-13

Creating Credit Memos for Joint Venture Invoices 10-14

Practice 10-3 Overview: Running the Scheduled Process to Create Credit Memos for  
Reversed Distributions 10-15

Updating Credit Memo Information in Joint Venture Management 10-16  
Practice 10-4 Overview: Running the Scheduled Process to Update Credit Memo  
Information for Reversed Distributions 10-17  
Reversing Distributions Associated with Partner Contributions 10-18  
Summary 10-19

## **11 Set Up Joint Venture Management Integration with Project Costing**

Objectives 11-2  
Setting Up Joint Venture Management Integration with Project Costing 11-3  
Prerequisites for Exporting to Project Costing 11-4  
Demonstration 11-1 Overview: Opting In to Project Capitalization and Progress  
Management Features 11-5  
Specifying a Transaction Source to Identify Cost Adjustments to Import into Project  
Costing 11-6  
Creating Transaction Sources and Document Entries 11-7  
Demonstration 11-2 Overview: Setting Up a Project Transaction Source for  
Identifying Cost Adjustments from Joint Venture Management 11-9  
Setting Up Oracle Financials to Capture Project Details in Subledger Accounting  
Journals 11-10  
Demonstration 11-3 Overview: Reviewing Supporting References to Capture Project  
Details 11-11  
Demonstration 11-4 Overview: Reviewing Supporting References Association to  
Journal Entry Rule Set 11-12  
Specifying Project References in Joint Venture System Options 11-13  
Demonstration 11-5 Overview: Joint Venture Management System Options for  
Project References 11-14  
Summary 11-15

## **12 Create Cost Adjustments for Project Costing**

Objectives 12-2  
Creating and Sending Cost Adjustments to Project Costing: Overview 12-3  
Tracing Transactions to Project Costing and Receivables 12-5  
Task and Expenditure Type Overrides 12-6  
Cost Adjustments Sent to Project Costing as Accounted 12-7  
Project Costing Statuses and the Processing of Cost Adjustments 12-8  
Creating Cost Adjustments for Project Costing: Example 12-9  
Creating Cost Adjustments for Distributions in Available to Process Status:  
Example 12-10  
Importing Cost Adjustments into Project Costing: Example 12-11  
Prerequisites for Creating Cost Adjustments for Project Costing 12-12

- Practice 12-1 to 12-3 Overview: Creating Projects, Payables Invoices, and Importing to Project Costing 12-13
- Creating and Sending Cost Adjustments to Project Costing 12-14
- Joint Venture Management: Processes Flow 12-16
- Practice 12-4 to 12-7 Overview: Creating Joint Venture Distributions, Invoices, and Updating Ledger 12-17
- Creating Project Costing Adjustments 12-18
- Practice 12-8 Overview: Creating Cost Adjustments 12-19
- Importing Cost Adjustments into Project Costing 12-20
- Practice 12-9 Overview: Importing Costs from Joint Venture Management to Projects 12-21
- Updating Project Costing Status to Process Complete 12-22
- Practice 12-10 Overview: Updating Project Costing Status to Process Complete and Verifying 12-23
- Troubleshooting Issues with Cost Adjustments 12-24
- Summary 12-26

### **13 Managing the Life Cycle of Joint Venture and Joint Venture Definitions**

- Objectives 13-2
- Managing the Life Cycle of Joint Venture Definitions 13-3
- Practice 13-1 Overview: Searching and Reviewing a Joint Venture Definition and Adding a Distributable Account to It 13-4
- Modifying a Joint Venture: Changing the Status of a Joint Venture 13-5
- Updating Distributable Accounts 13-6
- Modifying a Joint Venture: Updating Distributable Accounts 13-7
- Modifying a Joint Venture: Updating a Stakeholder 13-9
- Modifying a Joint Venture: Updating an Ownership Definition 13-11
- Modifying a Joint Venture: Frequently Asked Questions 13-13
- Deleting a Joint Venture 13-14
- Summary 13-15

### **14 Monitor Joint Venture Data in Joint Venture Accounting Manager Dashboard**

- Objectives 14-2
- Joint Venture Accounting Manager Dashboard 14-3
- Practice 14-1 Overview: Reviewing the Data in Joint Venture Accounting Manager Dashboard 14-4
- Using Alerts and Dashboards 14-5
- Summary 14-6

### **15 Joint Venture Reporting**

- Objectives 15-2

## Oracle Financials Cloud: Joint Venture Management Fundamentals

Creating Audit Reports for Joint Ventures 15-3

Process to Create Audit Reports 15-4

Practice 15-1 Overview: Running the Scheduled Process to Export Data for Audit Reports 15-6

Summary 15-7
