

Oracle AI Database@Azure Architect Professional

Table of Contents

Module 1

- What is Oracle Database@Azure?
- Database@Azure Architecture

Module 2

- Getting Started with Oracle Database@Azure
- Purchasing Oracle Database@Azure
- Link to Oracle Database@Azure
- Resources for Oracle Database@Azure
- Service Responsibilities for Oracle Database@Azure

Module 3

- Oracle Database@Azure - Networking
- Oracle Database@AWS - Networking

Module 4

- Provision Oracle Databases for Oracle Database@Azure
- VNet Demo
- Accessing OCI VCN
- Provision Oracle Exadata Database Service on Dedicated Infrastructure for Oracle Database@Azure
- Provision Oracle Exascale Database for Oracle Database@Azure
- Provision Oracle Base Databases for Oracle Database@Azure
- Provision Oracle Autonomous AI Databases for Oracle Database@Azure

Module 5

- Connectivity to Oracle Databases in Oracle Database@Azure
- Connecting to Oracle Databases in Oracle Database@Azure

Module 6

- High Availability for Oracle Database@Azure
- Disaster Recovery for Oracle Database@Azure
- Autonomous Recovery Service for Oracle Database@Azure
- Backup Oracle Databases for Oracle Database@Azure
- Restore Oracle Databases for Oracle Database@Azure

Module 7

- Migration for Oracle Database@Azure
- Monitoring Oracle Database@Azure

Security for Oracle Database@Azure

Cloud Automation for Lifecycle Management of Oracle Database@Azure

Module 8

Best Practices for Oracle Database@Azure
