

Certified Fintech Expert™ Interactive Live Training

OEM: Blockchain Council • Code: ILT-CFTE

COURSE DESCRIPTION

Step into the future of financial innovation with the Certified Fintech Expert Interactive Live Training (ILT) program. This Fintech Live Training is designed to help professionals gain practical expertise in financial technology through real-time, instructor-led sessions. The Fintech Certification Live Course covers core fintech concepts, digital payments, blockchain in finance, regulatory technology (RegTech), and emerging financial tools. Through hands-on learning and expert guidance, you will understand how to integrate advanced technologies into financial services, optimise operations, and design innovative fintech solutions. This Certified Fintech Expert ILT focuses on real-world applications, ensuring you gain industry-relevant skills that go beyond theory. Ideal for finance professionals, entrepreneurs, and tech enthusiasts, this Fintech Expert Live Class prepares you to lead digital transformation initiatives in the rapidly evolving financial technology ecosystem.

AUDIENCE PROFILE

- Working Professionals — Who prefer structured, instructor-led learning with real-time Q&A.
- Career Changers — Looking for guided, hands-on training with expert mentorship.
- Team Leads & Managers — Who need deep understanding to lead technology initiatives.
- Entrepreneurs & Founders — Planning to build products or services and want expert guidance.
- Students & Fresh Graduates — Seeking a competitive edge with a globally recognized certification.
- Consultants & Advisors — Who need to quickly build expertise with structured training.

PREREQUISITES

- Basic understanding of technology concepts
- A computer with stable internet connection for live sessions
- Webcam and microphone recommended for interactive participation
- No prior specialized experience necessary — the program starts from foundations
