

Tridion Sites 10 Technical Delta

OEM: RWS Group

COURSE DESCRIPTION

This course is designed to help teams and their executive sponsors understand, prepare for, and explain the benefits of Tridion Sites 10 to their internal stakeholders, users, and development teams.

AUDIENCE PROFILE

- Decision-makers and technical team members considering or evaluating Tridion Sites 10, especially those who are familiar with a previous version of Tridion Sites. Editors may optionally want to attend the first part of the training to learn about new UI features but should be aware that there will be technical topics and code examples for the rest of the course.

PREREQUISITES

- This section doesn't contain any content.

COURSE OBJECTIVES

By the end of this course, participants will be able to:

- This instructor-led course will enable teams and their executive sponsors to understand the features, benefits, and differences in Tridion Sites 10 compared to previous versions.
