

SAP SuccessFactors Career Development Planning and Mentoring Academy

OEM: SAP • Code: THR95

COURSE DESCRIPTION

This course covers configuration topics and tools that may not be accessible by the customer. Though the course is designed for consultants, customers are welcome to take the course if a deeper understanding of system configuration is desired. Only registered SAP partner consultants will be provided with provisioning rights once they have been certified. Customers and independent consultants, even if certified, will not be provided with provisioning rights. There are no exceptions to this policy.
