COURSE OVERVIEW

The DASA Chief AI Strategist Bootcamp helps you create a tailored, execution-ready roadmap for becoming an agentic organization. This live, online bootcamp is designed for transformation leaders and capability enablers who are ready to move beyond theory and start reshaping how their organizations work with and alongside AI.

LEARNING OBJECTIVES

What You Will Learn

- Understand the five dimensions of a high-performance agentic enterprise and the key capabilities enterprises need to invest in to successfully become agentic.
- Apply all core concepts by designing a high-level agentic enterprise transformation roadmap, including a journey to the first basecamps, based on an analysis of their own organization.
- Create a value case for becoming an agentic enterprise.
- Identify risks, opportunities, and guardrails required when creating agentic enterprises, and reflect on how to overcome resistance and organizational inertia.
